

# Patriot Petition

**We petition for redress of grievance as defined in Article One of the Bill of Rights.**

**The matter: Infringements of the 2<sup>nd</sup> Amendment of the Bill of Rights by our Congress.**

- **Be it known that WE as American Citizens are confounded by the arrogance and hubris OUR current state and federal governments display by informing American Citizens that WE are incompetent to own and use firearms to keep Ourselves secure. They hold US in contempt by illegally imposing upon US unconstitutional gun control measures to curtail our ability to protect our families, our communities, and ourselves. This is by connivance with socialists in our country, and the United Nations disarmament program, an act of oppression. These measures are by design and content, a precursor to gun confiscation and eventual subjugation of the American Citizen.**
- **Therefore, let it be known that WE petition and demand that such unconstitutional and treasonous "assaults" upon The Constitution of the United States of America cease. That all gun control measures now pending before Congress be terminated. That gun control advocates, and our state and federal legislatures cease and desist in their effort to overturn and subvert our Constitutional and God given right to keep and bear arms. That further harassment of firearms owners and manufacturers cease.**

**Be therefore forewarned, all elected and un-elected officials, who aid, assist, and condone such infringements upon OUR Constitutional rights may lead to your loss of office.**

**Choose you now your path. Will you be an agent of the United Nations and their disarmament program, or will you support and reaffirm our "Right to Keep and Bear Arms" as enumerated in the Constitution of the United States of America, in a free and sovereign Republic where your family and ours will be secure.**

**We, the undersigned, do affix our names in concert with like-minded patriots to this document for redress of grievance in this matter.**

## **"Our Rights Are Not Negotiable"**

**God Bless America**
